Project 1.27 has made it'; 'Your Fundraising Goal' with a text input field set to '\$ 2000'; 'Profile Image' with a circular image placeholder and an 'Upload new image' button; and 'Hero Image' with a large image placeholder and an 'Edit' button. There are also buttons for 'Default Image', 'Image', 'Video', and 'No Media'.

Here's a sample note to get you started:

Training foster families to welcome kids into their homes is something we care deeply about. Project 1.27 has made it their mission to have a family waiting for every child. We know COVID-19 has meant staying home with kids for many of us. But many kids haven't been safer at home and it's more important than ever to train families to foster well.
