Your Invited to

SUPPORT TEAM TRAINING

As a support team member, you are helping fulfill the mission of providing a loving home for every child in need.

Saturday, October 24th
9am-1pm

REGISTER NOW ›

In the foster care and adoption world, having a strong support team can be the difference between a thriving family and an isolated, exhausted family.

All Project 1.27 families are required to have four supportive family members and friends attend a training.

Spend time with the family. Support the family in prayer. Assist with practical needs.

Project 1.27
